

Dinjerra Primary School

Dear Year 1/2 Families,

Dinjerra Primary School is looking forward to welcoming you and your child to a great year of teaching and learning and would like to advise you of Dinjerra Primary School's voluntary financial contributions for Year 1/2 in 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school, this support has allowed us to:

- Source high quality classroom supplies, stationery and equipment for our Literacy and Numeracy programs, through a bulk purchase method.
- Purchase supplies, equipment and resources for specialist subjects: Art, Physical Education, STEM and LOTE Spanish.
- Purchase subscriptions for apps such as Mathletics, Sound Write Initial Code app and ePlatform that complement our learning and homework program.

Please find attached Dinjerra Primary School's financial voluntary contributions schedule for Year 1/2 2026, which includes an overview of how your contributions will enable us to provide for your child.

We have continued our Voluntary Contribution – Grounds Contribution, which was introduced in 2024. Funds raised from this contribution will be used for works around the school grounds, including the repair and resurfacing of our grass oval at the back of the school.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours Sincerely,

Natalie Vulic
Principal

Hamish Doake
School Council President
